Marker Mast Post
 150 (L) 150 (W) 1000mm (H)
 Marker Masts are designed to provide useful information for any trail.

Constructed from 150mm diameter round timber and recycled HDPE. Each post has an information sign recessed into the angle top with an additional arrow marker which can be rotated 360 Degrees.

Each Marker Mast comes with distance sign & directional arrow.

The ability to offer unrivalled value for money whilst still ensuring exceptional quality and longevity is key. The Sports and Fitness range accommodates various ages, budgets and play scheme sizes. Our uncompromising approach to safety during the design and manufacturing process is paramount.

With this in mind the Sports range is designed to meet the requirements of BS EN 1176 and 16630.

In order to ensure the highest level of accuracy, all units are produced on our custom made, state of the art, 6 Axis CNC machine. This technology allows us to offer unparalleled accuracy in the field of play timber production.
